Resilient Carterton – What

- Group of self educated residents – Project Wairarapa
- Resilience based on Post Carbon Institute framework
- Supports Mayoral Declaration on Climate Change
 - Action plans that support resilience within communities.
 - Work with communities to deal with climate change impacts.
 - Work with central government to deliver on national emission reduction targets and support resilience in our community.

Resilient Carterton - How

- Carterton District Council
 - We wish to build key links with the Council.
 - We want to involve Councilors and Staff
- We won't wait for the Council
- Who will we involve?
 - Reach out to those who are already aware and motivated early
 - Those with less awareness will be co-opted into the programme later

Resilient Carterton – Resilience

- Four challenges
 - Ecological Challenge;
 - Energy Challenge;
 - Economic Challenge;
 - Equity Challenge.
- Six Foundations
 - People.
 - Systems thinking.
 - Adaptability.
 - Transformability.
 - Sustainability.
 - Courage.

Resilient Carterton – Project Wairarapa Approach

- Behaviours
 - Resilient Community is about developing resilient behaviours
- Skills
 - Understand and develop the skills and motivations that precede those behaviours
- Barriers
 - Understand and remove/avoid the barriers to acquiring skills and motivation
